RESOLUTION AUTHORIZING ISSUANCE OF REFUNDING BONDS

_____ moved adoption of the following resolution, the motion was seconded by _____, and the resolution was read by the above title.

WHEREAS, the bond order hereinafter described has taken effect, and it is desirable to make provision for the issuance of bonds authorized thereby;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Guilford, North Carolina (the "Issuer"), as follows:

Section 1. Pursuant to and in accordance with the refunding bond order adopted by the Board of Commissioners on October 5, 2017, the Issuer shall issue its bonds in the aggregate principal amount not to exceed \$215,000,000.

Section 2. The bonds to be issued pursuant to the bond order described in the preceding paragraph shall be designated "General Obligation Refunding Bonds, Series 2017" (the "Bonds"). The Bonds shall be dated the date of their delivery, and shall bear interest from their date at a rate or rates (which shall not result in an aggregate true interest cost in excess of 3%) that shall be determined upon the private sale of the Bonds, and interest shall be payable on March 1, 2018, and semi-annually thereafter on September 1 and March 1. The Bonds shall mature on March 1, 2018 and thereafter on March 1 in years (not later than 2031) and amounts as determined upon the private sale of the Bonds.

Each Bond shall bear interest from the interest payment date next preceding the date on which it is authenticated unless it is (a) authenticated on an interest payment date, in which event it shall bear interest from that interest payment date, or (b) authenticated prior to the first interest payment date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, such Bond shall bear interest from the date to which interest has been paid.

The principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America that is legal tender for the payment of public and private debts on the respective dates of payment thereof. Debt service will be payable to the owners of Bonds shown on the records of the hereinafter designated Bond Registrar of the Issuer on the record date, which shall be the fifteenth day of the calendar month (whether or not a business day) next preceding a debt service payment date.

The Bonds shall be deemed to refund each of the issues of bonds being refunded within the respective periods of usefulness of the capital projects financed by each of the issues of bonds being refunded.

Section 3. The Bonds will be issued in fully registered form by means of a book entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to and registered in the name of The Depository Trust Company, New York, New York ("DTC") or its nominee and immobilized in its custody. The book entry system will evidence beneficial ownership of the Bonds in the principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Interest on and principal of the Bonds will be payable at the times described above, in clearinghouse funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of those participants and other nominees of beneficial owners. The Issuer will not be responsible or liable for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through participants.

In the event that (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the Issuer determines that continuation of the book entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the beneficial owners of the Bonds, the Issuer will discontinue the book entry system with DTC in a manner consistent with DTC's rules and procedures. If the Issuer fails to arrange for another qualified securities depository to replace DTC, the Issuer will authenticate and deliver replacement Bonds in the form of fully registered certificates in denominations of \$5,000 or integral multiples thereof.

Section 4. The Bonds shall bear the manual or facsimile signatures of the Chairman of the Board of Commissioners and the Clerk to the Board of Commissioners of the Issuer, and the official seal or a facsimile of the official seal of the Issuer shall be impressed or imprinted, as the case may be, on the Bonds.

The certificate of the Local Government Commission of North Carolina to be endorsed on all Bonds shall bear the manual or facsimile signature of the Secretary of that Commission or of a representative designated by that Secretary, and the certificate of authentication of the Bond Registrar to be endorsed on all Bonds shall be executed as provided below.

In case any officer of the Issuer or the Local Government Commission of North Carolina whose manual or facsimile signature appears on any Bonds shall cease to be that officer before the delivery of those Bonds, that manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until delivery, and any Bond may bear the manual or facsimile signatures of such persons as at the actual time of the execution of the Bond shall be the proper officers to sign the Bond although at the date of the Bond those persons may not have been such officers.

No Bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it has been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

Section 5. The Bonds and the endorsements thereon shall be in substantially the following form:

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to issuer or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

The bonds will be issued in fully registered form by means of a book entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to and registered in the name of DTC or its nominee and immobilized in its custody. The book entry system will evidence beneficial ownership of the bonds in principal amounts of \$5,000 or integral multiples thereof, with transfers of beneficial ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of participants and other nominees of beneficial owners. Section 6. If the Bonds are subject to optional redemption, those Bonds maturing on and after March 1 of a year to be determined at the private sale of the Bonds shall be subject to redemption prior to their stated maturities at the option of the County on or after March 1 of the preceding year in whole or in part at any time at a redemption price equal to a percentage of the principal amount of each Bond to be redeemed to be determined at the private sale of the Bonds, together with accrued interest thereon to the redemption date.

If less than all the Bonds are called for redemption, the County shall determine the maturities and the amounts thereof of the Bonds to be redeemed. If less than all the Bonds of any one maturity are called for redemption, the Bonds of such maturity to be redeemed shall be selected by lot; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof and that, in selecting Bonds for redemption, the Bond Registrar shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. For so long as a book-entry system is used for determining beneficial ownership of the Bonds, if less than all of the Bonds within a maturity are to be redeemed, The Depository Trust Company ("DTC") shall determine by lot the amount of interest of each Direct Participant in the Bonds to be redeemed.

Not more than forty-five (45) days nor less than thirty (30) days before the redemption date of any Bonds to be redeemed, whether the redemption be in whole or in part, the Issuer shall cause a notice of redemption to be mailed, postage prepaid, to DTC or its nominee. If any Bond is to be redeemed in part only, the notice of redemption shall also state that on or after the redemption date, upon surrender of the Bond, a new Bond or Bonds in principal amount equal to the unredeemed portion of the Bond will be issued.

The notice of redemption may state that the Issuer retains the right to rescind such notice on or prior to the scheduled redemption date, and such notice and redemption shall be of no effect if such notice is rescinded. Any redemption may be rescinded in whole or in part at any time prior to the scheduled redemption date if the Issuer gives notice thereof on or prior to the scheduled redemption date in the manner provided above for redemptions. Any Bonds as to which redemption has been rescinded shall remain outstanding.

On or before the date fixed for redemption, moneys shall be deposited with the Bond Registrar to pay the principal of the Bonds or portions thereof called for redemption, as well as the interest accruing thereon to the redemption date.

On the date fixed for redemption, notice having been given in the manner and under the conditions provided above, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to the redemption date. If moneys sufficient to pay the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by the Bond Registrar in trust for the registered owners of Bonds or portions thereof called for redemption, such Bonds or portions thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of such Bonds or portions thereof shall have no

rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption.

If a portion of a Bond shall be selected for redemption, the registered owner thereof or his attorney or legal representative shall present and surrender that Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same maturity, of any denomination or denominations authorized by this resolution, and bearing interest at the same rate.

Section 7. Bonds, upon surrender thereof at the office of the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in form satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of any denomination or denominations authorized by this resolution, and bearing interest at the same rate.

The transfer of any Bond may be registered only on the registration books of the Issuer upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in form satisfactory to the Bond Registrar. Upon any registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for the Bond a new Bond or Bonds, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of the Bond so surrendered, of the same maturity, and bearing interest at the same rate.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered hereunder, the Bond Registrar shall authenticate and deliver at the earliest practicable time Bonds in accordance with the provisions of this resolution. All Bonds surrendered in any exchange or registration of transfer shall forthwith be cancelled by the Bond Registrar. The Issuer or the Bond Registrar may make a charge for shipping and out-of-pocket costs for every exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to the exchange or registration of transfer, but no other charge shall be made for exchanging or registering the transfer of Bonds under this resolution. The Bond Registrar shall not be required to exchange or register the transfer of any Bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of Bonds or any portion thereof and ending at the close of business on the day of that mailing or of any Bond called for redemption in whole or in part pursuant to this Section.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any Bond and the interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon that Bond and interest thereon, to the extent of the sum or sums so paid.

The Issuer shall appoint such registrars, transfer agents, depositaries or other agents and make such other arrangements as may be necessary for the registration, registration of transfer and exchange of Bonds within a reasonable time according to commercial standards then applicable and for the timely payment of principal and interest with respect to the Bonds. The Finance Director of the Issuer is hereby appointed the registrar, transfer agent and paying agent for the Bonds (collectively, the “Bond Registrar”), subject to the right of the governing body of the Issuer to appoint another Bond Registrar, and as such shall keep at his office as Finance Director, 201 South Greene Street, Suite 303, Greensboro, NC 27402, the books of the Issuer for the registration, registration of transfer, exchange and payment of the Bonds as provided in this resolution.

Section 8. The Finance Director is hereby authorized to determine and approve any details necessary in connection with the sale of the Bonds, including without limitation the principal amount of Bonds, interest rates (which shall not result in an aggregate true interest cost in excess of 3%), maturity years and amounts, and redemption provisions and details not included herein. Such details shall be reflected in the Bond certificates.

Section 9. The Chairman of the Board of Commissioners and the Clerk to the Board of Commissioners and the Finance Director of the Issuer are hereby authorized and directed to cause the Bonds to be prepared and, when they shall have been duly sold by the Local Government Commission, to execute the Bonds and have the Bonds endorsed and authenticated as provided herein and to deliver the Bonds to the purchaser or purchasers to whom they may be sold by the Local Government Commission.

Section 10. The Issuer covenants to comply with the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), to the extent required to preserve the exclusion from gross income of interest on such Bonds for federal income tax purposes.

Section 11. The Chairman of the Board of Commissioners and the Clerk to the Board of Commissioners, the Finance Director and other officers of the Issuer are hereby authorized and directed to execute and deliver for and on behalf of the Issuer any and all financing statements, certificates, documents or other papers and to perform any and all acts they may deem necessary or appropriate in order to carry out the intent of this resolution and the matters herein authorized.

Section 12. The Issuer hereby authorizes the officers of the Issuer designated therein to execute and deliver an Escrow Deposit Agreement, Bond Purchase Agreement and Official Statement relating to the Bonds (drafts of which were available at this meeting) in such forms as may be approved by them, their execution thereof constituting conclusive evidence of approval thereof by the Issuer. The Issuer hereby approves the sale of the Bonds to Wells Fargo Bank, N.A. and Merrill Lynch, Pierce Fenner & Smith, Incorporated (together, the “Underwriters”). The Preliminary Official Statement and the Official Statement are hereby authorized for use by the Underwriters in connection with the sale of the Bonds.

Section 13. The Issuer hereby undertakes, for the benefit of the beneficial owners of the Bonds, to provide to the Municipal Securities Rulemaking Board (“MSRB”):

- (a) by not later than seven months from the end of each fiscal year of the Issuer, audited financial statements of the Issuer for such fiscal year, if available, prepared

- (7) modification to the rights of the beneficial owners of the Bonds, if material;

- (9) defeasances;
- (10) release, substitution or sale of any property securing repayment of the Bonds, if material;
- (11) rating changes;

(12) bankruptcy, insolvency, receivership or similar event of the Issuer;

(13) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(14) appointment of a successor or additional trustee or the change of name of a trustee, if material; and

(d) in a timely manner, notice of a failure of the Issuer to provide required annual financial information described in (a) or (b) above on or before the date specified.

The Issuer may discharge its undertaking described above by transmitting the documents referred to above to any entity and by any method authorized by the U.S. Securities and Exchange Commission.

If the Issuer fails to comply with the undertaking described above, any beneficial owner of the Bonds may take action to protect and enforce the rights of all beneficial owners with respect to such undertaking, including an action for specific performance; provided, however, that failure to comply with such undertaking shall not be an event of default and shall not result in any acceleration of payment of the Bonds. All actions shall be instituted, had and maintained in the manner provided in this paragraph for the benefit of all beneficial owners of the Bonds.

The Issuer reserves the right to modify from time to time the information to be provided to the extent necessary or appropriate in the judgment of the Issuer, provided that:

(c) any such modification does not materially impair the interest of the beneficial owners, as determined either by parties unaffiliated with the Issuer (such as bond counsel), or by the approving vote of the registered owners of a majority in principal amount of the Bonds pursuant to the terms of this bond resolution, as it may be amended from time to time, at the time of the amendment.

Any annual financial information containing modified operating data or financial information shall explain, in narrative form, the reasons for the modification and the impact of the change in the type of operating data or financial information being provided.

The provisions of this Section shall terminate upon payment, or provision having been made for payment in a manner consistent with Rule 15c2-12, in full of the principal of and interest on all of the Bonds.
