TM #: N/A Parcel #: 004560
Property Owner(s): Guilford County

The receipt of the City of Greensboro's offer of \$ 1,875.00 for items mentioned in attached offer letter regarding the above mentioned property.

() I find the offer acceptable. Please proceed with the documents necessary to record the agreement for payment as soon as possible. I understand the City will bear expenses necessary to prepare and record the agreement including the cost of documentary stamps. If there are delinquent taxes, the payment will be reduced by that amount and they will be paid on your behalf. *An agreement on payment, in this case, will serve as your authorization to proceed with construction activity while documents are being prepared.* This offer is subject to City Council approval.

Note: The undersigned property owners, recognizing that the City of Greensboro has the right to make adjustments to the road within the existing right of way, and further understanding that such adjustments may disrupt our driveway, do hereby request that the City of Greensboro enter upon our lands outside of the right of way to the extent as is necessary to reconnect our driveway, and we will have no claim as a result of the reconstruction of said driveway.

The temporary construction easement(s) become null and void after the project is completed. The City shall have the right to maintain any structure remaining within the expired temporary construction easement once the project is completed. This would include items such as retaining walls, along the driveway, yard inlets, resulting slopes, etc. This is to be effective unless a Permanent Easement is recorded.

Iran Divestment Act Certification – Seller certifies that: (i) Seller is not listed on the Final Divestment List created by the State Treasurer pursuant to N.C.G.S. 147-86-58 (the "Final Divestment List"), and (ii) Seller will not utilize any subcontractor performing work under this Purchase Order which is listed on the Final Divestment List. The Final Divestment List can be found on the State Treasurer's website at the address www.nctreasurer.com/Iran and should be updated every 180 days.

() The offer is not acceptable and I have additional information, which would support a higher value than the appraised amount. I have enclosed this additional information explaining why the offer was rejected. If there is an acceptable amount, please include that under comments.
