Interests & Experiences

Why are you interested in serving on a board or commission?

I have an interest in government and the law and would like to pursue a career in this area. I am interested in how the systems we have in place serve people my age. Several members of my family are attorneys and hearing about their work reinforced my interest. One of my favorite classes I am taking at Grimsley is my Civics class, the reading and discussions we have had so far led me to seek out a chance to serve on a board and gain real life experience.
