Honorable Frankie Jones, Jr., Chairman

RE: Doggett Road Property Case # 18-10-GCPL-06582

Dear Chairman Jones:

As a result of the November 14 rezoning hearing for the above referenced property we realized the need to share our plans with neighboring property owners. On November 19, invitations were mailed out to property owners whose property abuts the subject property (see attached letter). On November 27, 2018 we held a meeting with a turnout of approximately 11 neighbors (see attached sign-in sheet).

The information shared was as follows:

- The property is comprised of approximately 112 acres
- Due to its proximity to Lake Townsend and critical watershed regulations, the maximum number of lots would be far less than allowed by zoning, i.e. no more than 43.
- We showed an illustrative site layout plan depicting the road system and lots
- The average lot size would be 2.6 acres (112 acres divided by 43)
- One driveway access on Doggett Road and no connection to Doggett Estates (to the south) are proposed but the interconnection may be required by Guilford County during plan review.

The concerns expressed were as follows:

- Additional traffic on Doggett Road, speed limit should be reduced
- All attendees would prefer no interconnection with Doggett Estates
- What impact might 43 new residential wells have on existing wells?
- Would there be an HOA and restrictive covenants?
- What would the homes and price range be?
- Would there be landscaping along the Doggett Road frontage?

I indicated that we would likely be responsible for any road improvements along our road frontage necessitated by our development. We would also prefer no interconnectivity with Doggett Estates, but that it wasn't entirely up to us. I have no knowledge of likely impacts on existing wells. We do plan to impose restrictive covenants and require architectural review of house plans. With the understanding that the information was very preliminary and subject to change, our homes would be built on crawl-

spaces or walkout basements with prices expected to be \$250K and up. We do plan some landscaping along the frontage of Doggett Road and perhaps a rural/farm type fence.

We appreciate your thoughtful consideration of our application and look forward to the opportunity to bring a quality residential neighborhood to the Browns Summit area. Unfortunately, I will not be able to attend the December hearing, personally, but will have a representative, there. Please feel free to contact me with any questions or concerns. I can be reached at (336) 944-7919 or by email at paul.holst@aol.com.

RE: Doggett Heir's Property

Dear Neighbor:

My partners and I in Diamondback Acquisition Company are the contract purchasers of the Doggett heir's property on Doggett Road in Brown's Summit. After some basic investigation of the property we determined that it would be a suitable site for a large lot single-family community. Due to its proximity to Lake Townsend, a public water supply reservoir, the number of dwellings is strictly limited, regardless of the zoning. In the case of this property the number of lots is capped at 43 over the 112 acres. The RS-40 zoning district (which we seek) is the least dense residential zoning district and requires a minimum lot size of 40,000 square feet (.92 acres) and 150' lot width.

At the initial rezoning hearing on November 14, we quickly realized we had been negligent in sharing our plans with you, our neighbors. I apologize for the neglect and lack of consideration. I would be happy to meet with you all and share our intentions. Please understand that our development plans are very conceptual and still fluid. This is our typical practice until the necessary zoning is secured. Beyond expecting to be able to design and submit a subdivision plan for no more than 43 single family lots, served by private wells and septic systems with one point of access on Doggett Road, little else is finalized. Specifics such as house sizes, features, pricing and so forth are market dependent and would be determined as we approach the time to begin home construction.

As you may know the rezoning hearing has been continued until December 12, 2018. With the holidays approaching I would like to propose a meeting in regard to our plans at 6:00 p.m. on Tuesday, November 27th at the Brooke Meadows Clubhouse, 8198 McClanahan Drive, Browns Summit, NC 27214. As we are only contacting adjoining property owners, please feel free to share this invitation with your neighbors.

Sincerely yours,

Paul Holst
