3309 Burlington Road, Greensboro, North Carolina 27405-7605 / (336) 641-2440 / Fax: (336) 641-2441

Each year Guilford Soil & Water Conservation District in partnership with Greensboro Water Resources holds its annual contests as part of its educational outreach efforts. This year's theme, students in grades K-2, was, "Water Is Life", and for students grades 3-5 the theme was "The Living Soils". Kyleene Rooks, Guilford Soil & Water Conservation Coordinator, and Latoya Harris with Greensboro Water Resources, would like to recognize and present those Guilford County student winners for this year's contest.
