**RESOLUTION REQUESTING ABANDONMENT OF A PORTION OF
STATE ROAD 1582, LARK DRIVE, FROM THE
NORTH CAROLINA STATE MAINTAINED
SECONDARY ROAD SYSTEM**

WHEREAS, as authorized by N.C.G.S. 136-63, the attached petition (request) received from the North Carolina Department of Transportation, Division of Highways, has been filed with the Guilford County Board of Commissioners requesting that a 0.04 mile portion of State Road 1582, Lark Drive, the location of which has been indicated on the attached map, be abandoned from the North Carolina State Maintained Secondary Road System; and

WHEREAS, County Planning staff has reviewed the request of abandonment and find that no property owner would be deprived of reasonable means of ingress and egress to his/her property, and there would be no negative impacts from maintenance being abandoned on the 0.04 mile portion of State Road 1582, Lark Drive; and therefore the Planning Department staff recommends in favor of the request to abandon the said portion of the road; and

WHEREAS, based on the recommendation of County Planning staff, the Guilford County Board of Commissioners finds that the abandonment would serve the best interest of the people of Guilford County.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners of Guilford County hereby concurs with request of abandonment of State Road 1582, Lark Drive, from the State Secondary Road System as shown on the attached map.

VIII. NEW BUSINESS

- A. 2019-285 CONSIDER WASTE INDUSTRIES' PROPOSED SOLID WASTE AND RECYCLING COLLECTION FEE INCREASE AND RENEWAL OF GUILFORD COUNTY SOLID WASTE COLLECTION LICENSE (INCLUDING MINIMUM CUSTOMER SERVICE PERFORMANCE STANDARDS) EFFECTIVE JULY 1, 2019 THROUGH JUNE 30, 2022

Approve Waste Industries' proposed solid waste and recycling collection fee increase and renewal of Guilford County's Solid Waste Collection License (including minimum customer service performance standards) at SAME rate as was approved for Republic Waste Services effective July 1, 2019 through June 30, 2022.

[Customer Bill of Rights Waste Industries.docx](#)

Bell introduced the item and shared Waste Industries is requesting the Board consider a monthly rate increase for solid waste collection and recycling services.

Norma Yanez, Waste Industries Government Contracts Manager, shared they have not had a rate increase in over ten (10) years and spoke to the changes in the costs associated with processing waste during this time. She noted the current franchise pricing is limiting their service area and spoke to the need to increase the rates to absorb increased costs associated with transportation and staffing. Yanez shared that the rate change will not affect the customer's ability to choose which waste collection franchise best meets their needs.

Chairman Branson questioned the current number of customers they serve in Guilford County. He shared the number of waste collection-related inquiries and complaints he has received from citizens during the past 6-8 months.

Seth Heath, Waste Industries Local Manager, shared that they serve approximately 1,500 customers in Guilford County. He noted this figure does not include the municipality of Oak Ridge, as there is a separate contract for their waste services.

Yanez shared that increasing the rates would allow them to offer services to a larger portion of Guilford County which would give citizens more options for waste collection services.

Chairman Branson requested clarification on the areas of the county served by Waste Industries.

Heath clarified they serve approximately 1,500 subscription customers outside of Oak Ridge, primarily located in the eastern portion of the county.

Chairman Branson questioned if these were residential or commercial accounts.

Leath stated they served only residential accounts. He noted that the company has been unable to expand their business to include new customers, even when existing customers cancel service. Leath shared the addition of new customers results in a loss to the company, as a result of low rates.

Yanez shared the experience of recent rates hikes for Alamance County customers and spoke to the increased costs associated with processing waste and recyclable materials.

Chairman Branson discussed the recent re-negotiation of the franchise agreement with Republic Waste Management and questioned if Waste Industries provides both trash and recycling collection containers.

Yanez confirmed they provide the containers as a safety feature for their drivers and noted the rate increase includes these associated costs.

Vice Chairman Phillips questioned discrepancies in the number of customers served within Guilford County.

Heath clarified that when Oak Ridge accounts are included in the total, they serve approximately 3,900 customers. He noted approximately 1,500 customers would be impacted by the requested rate increase.

Vice Chairman Phillips clarified the requested the rate change.

Heath stated a large portion of the increase stems from costs associated with commodities pricing and processing contaminated waste, in addition to, staffing expenses.

Vice Chairman Phillips expressed the Board's interest in approving a rate increase comparable to the monthly amount approved for Republic Waste Services. He questioned the potential risk for customers losing service if the requested rate was not approved.

Heath noted the requested rate is comparable to the rate paid by their Alamance County customers, and noted this rate would allow them to move forward with expanding their market.

Yanez stated the responsibility falls on the company to continue providing quality service to maintain existing customer base at a competitive rate.

Vice Chairman Phillips questioned if customers currently subscribed with Waste Industries for trash and recycling collection were at risk for loss of service if the Board did not approve the requested rate change.

Heath stated it was not the company's intent to discontinue service to these customers if the requested rate change was not approved. He confirmed this would only affect their ability to expand service to new customers.

Motion was made by Vice Chairman Jeff Phillips, and seconded by Commissioner Justin Conrad, to approve Waste Industries' solid waste and recycling collection fee increase and renewal of Guilford County's Solid Waste Collection License (including minimum customer service performance standards) at same rate as was approved for Republic Waste Services effective July 1, 2019 through June 30, 2022: \$21.50/month/household for once per week trash collection; \$30/month/household for twice per week trash collection and \$24.50/month/household for once per week back door trash collection service.

Commissioner Alston questioned the need for a public hearing.

County Attorney Mark Payne stated there was no requirement for a public hearing to increase the franchise rate.

Commissioner Coleman arrived to the meeting at 6:01PM.

Commissioner Perdue confirmed the customer bill of rights will apply to this company.

Motion was made by Vice Chairman Jeff Phillips, and seconded by Commissioner Justin Conrad, to approve Waste Industries' solid waste and recycling collection fee increase and renewal of Guilford County's Solid Waste Collection License (including minimum customer service performance standards) at same rate as was approved for Republic Waste Services effective July 1, 2019 through June 30, 2022: \$21.50/month/household for once per week trash collection; \$30/month/household for twice per week trash collection and \$24.50/month/household for once per week back door trash collection service.

X. COMMENTS FROM COUNTY MANAGER

Lawing discussed the 2020 census and the county's efforts to create a Complete Count Committee to include representatives from municipalities, education, faith-based entities, universities, business communities, immigrant and non-profit organizations and the media. He noted they are also seeking community participants interested in conducting outreach to help promote and educate citizens on the benefits of the census.

Lawing shared the potential for North Carolina to gain an additional congressional seat and federal funding, due to growth over the prior years. He confirmed this is dependent upon the percentage of census participation. Lawing discussed the methods available to complete the census this year and shared the county's goals for improved participation. He reiterated the need for community leaders to work with Complete Count Committee and encouraged the Board to provide recommendations of candidates for the committee.

Lawing shared his intent to return to the Board with candidates for the committee by the first or second regular meeting in August, with training completed in September and committee meetings beginning in early fall.

Commissioner Coleman spoke to the importance of working with grass-roots organizations serving Hispanic and African-American communities to improve participation and ensure the County does not lose potential federal funding.

Lawing expressed his interest in connecting with the faith community and immigrant organizations. He discussed the hard-to-count population identified by the census and spoke to the need reach all community members, while increasing voluntary census participation to 85% in 2020.

XI. COMMENTS FROM COMMISSIONERS

Chairman Branson shared his recent attendance National Association of Counties (NACo) Annual Conference and noted Commissioner Cashion was honored with the NACo Arts, Transportation and Infrastructure awards.

Commissioner Cashion shared that the award is a collaboration between Americans for the Arts and NACo, and is given annually to a county or elected official for their work in arts, culture and historic preservation. She shared her work as chair of the NACo Arts and Culture Commission

over the past two (2) years and spoke to the economic impact of arts within communities. Commissioner Cashion shared local, state and federal governments received approximately \$27.5 billion in revenue from their annual investment of \$5 billion in non-profit arts and culture agencies.

Commissioner Cashion provided an update on the NACo conference and shared the various resolutions passed that would shape the policy recommendations NACo staff would use to gain funding and support from federal legislators. She discussed several resolutions presented by Brunswick County related to emergency management, and FEMA assessment programs and coordination. Commissioner Cashion shared Commissioner Foster's election as President-elect of the Women of NACo Leadership group and shared her appointment as an At-Large Director to the NACo National Association Board of Directors, reappointment as Vice Chair of the Justice and Public Safety Committee and reappointment to the Arts, Culture & Historic Preservation Committee. She noted the Guilford County Family Justice Center was recognized for its Pathways to Hope program for children and their families.

The Board congratulated Commissioner Cashion on her award and achievements, and thanked her as a representative of North Carolina and Guilford County.

Commissioner Coleman encouraged staff to apply for certain awards or develop resolutions to bring attention to the ideas developed in Guilford County. She commended Commissioner Cashion on her award.

Commissioner Cashion spoke to the need to report on the work being done here in Guilford to NACo, in order to receive recognition.

Chairman Branson provided updates from the National Transportation Board and shared his recent attendance at the Piedmont Triad Regional Council (PTRC) 50th Anniversary breakfast.
