Interests & Experiences

Why are you interested in serving on a board or commission?

I attended UNC-Greensboro from 1995-1999 but I have been a permanent resident of Guilford County since 2000. In the years since, I have seen the county expand and grow to provide the residents a better way of life. I currently live in Whitsett and am interested in having a voice in the way that the eastern part of Guilford County is developing and the services that are provided.
