Job Title

Health and Human Services Advisory Board: Submitted

☒ District 3

**Why are you interested in serving on a board or commission?**

As a citizen of Guilford county for 5 years, my family and I have made a decision to make this our permanent home. I believe it is the duty of every citizen to involve themselves for the good of their local communities. I am especially interested in the Health and Human Services Advisory Board. I've worked in health care for 20 years, and have a passion for public health.
