RE: American Rescue Plan Act (ARPA) Apportionment for Greensboro NC UZA

Attn: Elizabeth Parris Orr, Community Planner

Dear Dr. Taylor:

We have been advised that the 2021 American Rescue Plan Act (ARPA) apportionment for the Greensboro Urbanized Area is \$15,127,344 in Section 5307 funding. The table below indicates the distribution of funds between the transit agencies operating within the Greensboro Urban Area Metropolitan Planning Organization area. The safety and security apportionments are not calculated in the table below since transit agencies will not be applying for safety and security projects with this funding as other sources of funding are used by each agency to meet their safety and security needs.

	2021 ARPA Apportionment (5307)	Safety and Security (Minimum 1%)
City of Greensboro (Greensboro Transit Agency)	\$13,136,063	\$0
Piedmont Authority for Regional Transportation (PART)	\$1,791,281	\$0
Guilford County Transportation and Mobility Services (TAMS)	\$200,000	\$0
Totals	\$15,127,344	\$0

This distribution of funding was developed through a collaborative process with local officials, operating through the Greensboro Urban Area Metropolitan Planning Organization (GUAMPO) and the City of Greensboro as the Designated Recipient. The aforementioned transit agencies have reviewed and agreed to the splits stated above. As identified in this Split Letter, the designated recipient authorizes the assignment/allocation of FTA Section 5307 funds to PART as a direct recipient and Guilford County TAMS as a sub-recipient, according to the table above.
