IX. NEW BUSINESS

A. 2021-238 GUILFORD CARES - ERUA PROGRAM - 200% FEDERAL POVERTY LEVEL

Approve program eligibility based on 200% Federal Poverty Level to utilize a portion of the \$747,000 county allotment for the Guilford CARES Emergency Rental and Utility Assistance Program. This will assist families who exceed the 80% area median income limits based on family size.

Legislation Text

Sharon Barlow, DHHS-DSS Division Director, introduced the agenda item and shared that, to date, the program has received 1,230 applications and spent \$1.6 million to assist families with rent and/or utility costs. She confirmed that the changes to income eligibility guidelines and additional allocation of county funds would help support families who exceed federal income limits.

Commissioner Mary Beth Murphy expressed her appreciation for the changes to the income eligibility guidelines, as she previously raised concerns regarding a potential coverage gap in the program.

Commissioner Cooke questioned if staff could approve eligibility for federal funding using the recommended 200% Federal Poverty Level guidelines.

Barlow confirmed they could not approve federal funding under these guidelines.

Commissioner Cooke echoed Commissioner Murphy's comments and thanked staff for bringing these guidelines to the Board.

Vice Chair J. Carlvena Foster thanked staff for these new policies.

Motion was made by Vice Chair J. Carlvena Foster, and seconded by Commissioner Carly Cooke, to approve program eligibility based on 200% Federal Poverty Level to utilize a portion of the \$747,000 county allotment for the Guilford CARES Emergency Rental and Utility Assistance Program. This will assist families who exceed the 80% area median income limits based on family size.

**A RESOLUTION BY THE COUNTY OF GUILFORD
APPROVING THE MEMORANDUM OF AGREEMENT (MOA) BETWEEN THE
STATE OF NORTH CAROLINA AND LOCAL GOVERNMENTS ON PROCEEDS
RELATING TO THE SETTLEMENT OF OPIOID LITIGATION**

WHEREAS, as of 2019, the opioid epidemic had taken the lives of more than 16,500 North Carolinians, torn families apart, and ravaged communities from the mountains to the coast; and

WHEREAS, the COVID-19 pandemic has compounded the opioid crisis, increasing levels of drug misuse, addiction, and overdose death; and

WHEREAS, the Center for Disease Control and Prevention estimates that the total "economic burden" of prescription opioid misuse alone in the United States is \$78.5 billion a

year, including the costs of healthcare, lost productivity, addiction treatment, and criminal justice involvement; and

WHEREAS, the opioid crisis has had, and continues to have, devastating impacts to Guilford County citizens and their families, as well as straining Guilford County local government resources; and

WHEREAS, certain counties and municipalities in North Carolina joined with thousands of local governments across the country to file lawsuits against opioid manufacturers and pharmaceutical distribution companies to hold those companies accountable for their misconduct; and

WHEREAS, local governments and the State of North Carolina anticipate a settlement in the national opioid litigation to be forthcoming. By signing onto the Memorandum of Agreement (MOA), the State and local governments maximize North Carolina's share of opioid settlement funds to ensure the needed resources reach communities, once a negotiation is finalized, as quickly, effectively, and directly as possible.

WHEREAS, representatives of local North Carolina governments, the North Carolina Association of County Commissioners, and the North Carolina Department of Justice have negotiated and prepared a Memorandum of Agreement (MOA) to provide for the equitable distribution of any proceeds from a settlement of the national opioid litigation to the State of North Carolina and to individual local governments; and

WHEREAS, it is advantageous to all North Carolinians for local governments, including Guilford County and its citizens, to sign onto the MOA and demonstrate solidarity in response to the opioid epidemic, and to maximize the share of opioid settlement funds received both in the state and this County to help abate the harm, and

WHEREAS, the MOA directs substantial resources over multiple years to local governments on the front lines of the opioid epidemic while ensuring that these resources are used in an effective way to address the crisis. Guilford County will dedicate opioid settlement funds received to opioid treatment and remediation activities.

NOW, THEREFORE, BE IT RESOLVED, that Guilford County hereby approves the Memorandum of Agreement Between the State of North Carolina and Local Governments on Proceeds Relating to the Settlement of Opioid Litigation and any subsequent settlement funds that may come into North Carolina as a result of the opioid crisis. Furthermore, Guilford County hereby authorizes and directs staff to take such measures as are required to implement the terms of the MOA and receive the settlement funds, including that any additional documents needing signatures as a result of allocation of opioid settlement funds coming to North Carolina local governments may be authorized by the Guilford County Manager and Attorney, without requiring additional Board approval. Be it further resolved that copies of this Resolution and the

signed MOA may be sent to opioiddocs@ncdoj.gov as well as forwarded to the N.C. Association of County Commissioners as requested.

Adopted this the 3rd day of June, 2021.

X. HEALTH AND HUMAN SERVICES UPDATE

Dr. Iulia Vann, DHHS-Public Health Division Director, spoke to the decline COVID-19 cases over the past two (2) weeks, and metrics and trends are moving in a positive direction. She shared 54% of the eligible population have received at least one (1) dose of the vaccine, while 49% of those eligible have been fully vaccinated. Dr. Vann provided an update on the NCDHHS pilot project to incentivize vaccinations by providing gift cards to those who receive, or transport others to receive, their first dose. She spoke to the success of the FEMA clinic within the Guilford County community and shared that out of the 150,000 doses administered, 68% were given to Guilford residents. Dr. Vann shared the Guilford County Public Health department has administered 119,000 doses and shared the mobile vaccine unit will be delivered to the public health facility on tomorrow.

XII. COMMENTS FROM COUNTY MANAGER/COUNTY ATTORNEY

County Manager Michael Halford congratulated the Human Resources department on recognition from the NC Chapter of the International Public Management Association for Human Resources for initiating the Wellness Recovery Action Planning (WRAP) and Explorations employee programs.

Halford shared the state's allocation of an additional \$20 million to the County to support residents in need of rental and utility assistance, and encouraged citizens in need to contact the County for additional information, as there are multiple funding assistance streams available.

Halford confirmed the County received its first allocation of American Rescue Plan Act (ARPA) funding and noted the Board will meeting with community members over the next few weeks to identify their needs and prioritize funding.

Halford announced the County has been accepted as a participant in NACo's Data-Driven Justice Initiative designed to utilize data in order to divert frequent utilizers of the court systems and jails into treatment programs and services that support their long-term stability. He spoke to the importance of utilizing data to address systemic inequities.

Halford reminded the Board of upcoming work sessions scheduled for 3:00PM on June 9 and June 15.

Chairman Alston spoke to the need to schedule community meetings related to ARPA funding needs.

Halford recommended scheduling meetings once the budget process has been completed.

Chairman Alston questioned the potential for in-person and virtual meetings.

Halford noted staff's flexibility in accommodating the needs of the other entities.

Commissioner Cooke questioned the potential to solicit public comments virtually.

Halford confirmed the option to create a virtual platform for comments and spoke to the need to share information with the public in order to receive more informed feedback.

Commissioner Conrad spoke to the importance of sharing information with citizens on how these funds can be spent.

Commissioner Cooke recommended developing an FAQ to share on the county website.

Payne shared NC Association of County Commissioners has a link on its website with additional information on the opioid settlement.

Chairman Alston requested the schedule for the mobile vaccination unit that will be delivered tomorrow and an estimated delivery date for the remaining two (2) units.

Halford requested the Board's general consensus to authorize him to sign the contract to move forward with delivery of the remaining mobile units.

By general consensus, the Board authorized County Manager Michael Halford to sign any contracts related to the mobile vaccination units.

Chairman Alston questioned the status of the mask mandate discussion for county employees.

Halford noted staff are continuing to evaluate these policies and are considering a two-phased approach with deadlines in June and July. He spoke to the importance of adhering to CDC guidelines while considering county facility layouts and the nature of services provided.

XIII. COMMENTS FROM COMMISSIONERS

Commissioner Cashion provided updates on recent meetings with NACo's Justice & Public Safety and Arts & Culture committees. She shared her participation in a NCACC-sponsored podcast on tax and finance emphasizing the ¼ cent sales tax referendum language bill that is now under consideration by the State Senate. Cashion shared NCACC's recent meeting with US Senator Thom Tillis regarding state legislative goals and spoke to her participation in a meeting of the Resilient Guilford Network where a new initiative was introduced addressing youth mental health and substance abuse needs. She spoke to the importance of opening the adult and youth behavioral health crisis centers.

Commissioner Cooke shared her recent visit to the Camp HOPE Pathways program held at the Therapeutic Equine Learning Center and expressed her hope that the Board will continue to support this work. She wished students and teachers a happy last day of school.

Commissioner Murphy echoed Commissioner Cooke's well wishes to students and teachers and spoke to the public hearing comments on the FY 2021-22 Proposed Budget.

The proceeds of the sale will be used by the Town of Gibsonville to finance necessary water/sewer infrastructure improvements and will allow for the preservation of open space and park uses in the area. To the extent approval is required pursuant to NCGS 153A-15, this motion provides that approval. The Board of Commissioners further authorizes the Chair to send a letter to United States Senator Thom Tillis, and anyone else who can facilitate this sale, informing him of our support for the project.
