TITLE

APPROVE UPDATED HOME AND COMMUNITY CARE BLOCK GRANT (HCCBG) COUNTY FUNDING PLAN FOR FY 2023-24 (REVISION #1)

SPONSOR

Sharon Barlow

BACKGROUND

Guilford County Health & Human Services - Social Services staff has a revised HCCBG funding plan from the Piedmont Triad Regional Council, who administers the funding plan under agreement with the County. This funding is used for aging adult in-home aide, transportation, and other services for seniors such as adult day care, group enrichment, community nutrition and home delivered meals, senior center operations, and housing assistance. The original funding plan was initially received and approved by the Board of Commissioners in September 2023; this is the first revision to the plan for this fiscal year.

The service providers under this agreement continue to be the Adult Center for Enrichment, Inc. d/b/a Well-Spring Solutions, PTRC Community Development, Guilford County DHHS-Social Services Division, Guilford County Transportation and Senior Resources of Guilford. PTRC estimates that 8,239 seniors will benefit from these block grant-funded services, an increase of twelve (12) individuals from the initial funding plan.

Total updated Block Grant Funding for FY 2023-24 is \$3,202,127 plus \$128,441 in Department of Agriculture NSIP funding for a combined total of \$3,330,568, an increase of \$428 from the initial FY 2023-24 funding amount. The entire increase is in the NSIP funding amount and

will be used for congregate nutrition and meal deliveries. The required local match is now \$355,793, an increase of \$2. The change in local match will be met with existing County funds. The revised plan also shifts some funding between services with about \$19,850 from Adult Day Care and \$14,700 from In-Home Aide Services being used to increase funding for Adult Day Health Services by about \$34,550.
