DHHS - DIVISION OF SOCIAL SERVICES ADOPTION PROMOTION PROGRAM FUND

SPONSOR

Heather Skeens (Myra Thompson)

BACKGROUND

The Adoption Promotion Program Fund administered by the North Carolina Department of Health & Human Services is designed to: enhance and expand adoption programs; secure permanent homes for hard-to-place children; and encourage partnerships between public and private agencies to achieve permanence for children in a timely manner. Participating agencies are compensated for adoption services that culminate in the finalization of an adoption. Some of these services include: recruitment of adoptive families; pre-adoption training; post-placement support; and the facilitation of legal procedures resulting in the finalization of an adoption. Each county may apply for reimbursement of adoption services after exceeding a pre-determined baseline and sending, or encumbering, previously received funds.

Guilford County has earned an additional \$ 189,000 and requests an increase to Adoption Incentive Program for FY 2018.
