File #: 2021-214, Version: 1

TITLE

APPROVE INTERLOCAL AGREEMENT WITH THE CITY OF HIGH POINT FOR FIRE PROTECTION OF THE DEEP RIVER FIRE SERVICE DISTRICT

SPONSOR

Jim Albright, Emergency Services Director

BACKGROUND

The City of High Point began servicing the Deep River Fire Protection District and Deep River Fire Service District in 2004, when the Deep River Fire Department ceased operations. Most of the fire protection contracts were updated in 2012, however the agreement with High Point was not. This update addresses many of the performance measures required of other contractors for fire protection, as well as emerging issues being addressed with parcel transfers in the public hearing conducted on during the Board of Commissioners regular meeting on June 3, 2021 and pending resolution authorizing parcel transfer of properties from the Colfax Service District to the Deep River Service District.

This is an evergreen agreement, and allows Guilford County to collect and disburse the taxes from the special service district to the City of High Point for fire protection and rescue/medical services.

BUDGET IMPACT

NO ADDITIONAL COUNTY FUNDS REQUIRED

REQUESTED ACTION

Approve an updated fire protection interlocal agreement, in substantial form, with the City of High Point for fire protection of the Deep River Fire District and the Deep River Service District, effective July 1, 2021; and certify the map on file with the Clerk to the Board as the Fire District, Service District and Insurance District for rating purposes.
