TITLE

RESOLUTION SUPPORTING NORTH CAROLINA DEPARTMENT OF TRANSPORTATION SAFETY IMPROVEMENTS TO SR 1129 GROOMETOWN ROAD

SPONSOR

Marty Lawing

BACKGROUND

The North Carolina Department of Transportation (NCDOT) will be initiating safety improvements to Groometown Road in Greensboro. The improvement project will consist of closing two (2) existing driveways that currently provide access to the Hardin Oil Property from Groometown Road, which are currently too close in proximity to the ramp of Interstate 85. The existing driveway of the Hardin Oil property accessing Wiley Davis Road will be moved further away from the Groometown Road and Wiley Davis Road intersection. The NCDOT contingency funds will be used to pay for the safety improvements listed above.

RESOLUTION

RESOLUTION SUPPORTING NCDOT SAFETY IMPROVEMENTS FOR SR 1129 GROOMETOWN ROAD

WHEREAS, the North Carolina Department of Transportation will be performing safety improvements to SR 1129 (Groometown Road); and

WHEREAS, the requested improvements consist of closing two existing driveways that currently provide access to the Hardin Oil property from Groometown Road which currently are too close in proximity to the ramp of Interstate 85; and

WHEREAS, the existing driveway of the Hardin Oil property accessing Wiley Davis Road will be relocated further away from the Groometown Road and Wiley Davis Road intersection; and

WHEREAS, all funds associated with the safety improvements of SR 1129 (Groometown Road) will be provided through the NCDOT Contingency Funds; and

NOW THEREFORE BE IT RESOLVED by the Guilford County Board of Commissioners that it hereby provides its support of the safety improvements set forth for SR 1129 (Groometown Road).

Adopted this the 5th day of January 2017.

REQUESTED ACTION

Adopt the resolution in support of the NCDOT safety improvements to SR 1129 Groometown Road.
