Interests & Experiences

Why are you interested in serving on a board or commission?

Mental health has long been a passion of mine. 21 years ago I helped to start a nonprofit here in Greensboro called Sanctuary House. Our focus has been on adults who experience symptoms of mental illness such as schizophrenia, bipolar, depression, etc. I have served on a variety of community civic opportunities such as Guilford County Board of Transportation, Rotary of Greensboro Board of Directors, Guilford County Nonprofit Consortium Steering Committee, NC Clubhouse Coalition and the founding Guilford County Behavioral Health Oversight Board. I would like to continue to serve Guilford County to assist in meeting needs for the mental health community. I believe I can offer my insights to facilitate innovation in our behavioral health continuum.
