Interests & Experiences

Why are you interested in serving on a board or commission?

I have always enjoyed learning about historical properties and the history the homes carry with them. As a builder, I have done custom projects that replicated historical landmarks. Learning about historical properties and how they were built is a passion of mine. The reason I am interested in serving on this commission is because I want to play a part in seeing the homes and businesses in the area preserved properly and save that which would otherwise be lost in our community.
