Question applies to multiple boards

Briefly list your professional, educational and volunteer experiences that are most relevant to the mission and duties of this board:

I have been a small business owner in Greensboro for the past 6 years. I specialize in skincare and facial treatments but in that capacity I interact with a wide variety of county residents. Through my business I have made connections with other business owners, educators, mothers, students and many more. I hope to be able to use these established relationships to benefit the aims of the Juvenile Crime Prevention Council. For the past 6 years I have been an active parent volunteer at St.Pius X Catholic School where my 2 children attend. In college while at the University of South Carolina in Columbia, I volunteered with Sistercare for 4 years. Sistercare is a local organization that provides support for survivors of domestic violence and their children.
