

July 27, 2026

To the Guilford County Board of Commissioners,

The Guilford County Commission on Aging (GCCA) is requesting exemption from the two (2) term limit for the following individuals:

Wendee Cutler

Wayne Hale

Heather Magill

Beverly Williams

I am requesting reappointment for another term. Wendee, Wayne, Heather and Beverly have served faithfully on this commission and continue to be valuable participating members. Wayne is the Chair of the committee and Beverly and Wendee serve on an allocation subcommittee. Heather provides valuable input through her role at the Family Justice Center. The GCCA provides a valuable service to Guilford County citizens through their awareness and passion for ensuring older adults receive community-based services they need to remain independent. We rely on these experienced members to provide knowledge and information to other GCCA members in order to make sound decisions regarding the allocation and oversight of Home and Community Care Block Grant funding. Again, we respectfully request the term limits for these members to be waived and recommend their reappointment for another term on the Guilford County Commission on Aging.

Sincerely,

Bob Cleveland
